

PROPOSED AMENDMENTS TO DRAWINGS

In Figure 1:

Add a new reference number (#146) to identify the openings in the screen (#144) and re-draw the openings in the screen to make them a uniform size.

In Figure 3:

Add a new reference number (#346) to identify the openings in the screen (#344).

In Figure 5:

Add a new reference number (#346) to identify the openings in the screen (#344).

In Figure 7:

Add a new reference number (#346) to identify the openings in the screen (#344).

In Figure 8:

Add a new reference number (#846) to identify the openings in the screen, and change the screen reference number (new #844, was #344).

In Figure 9:

Add a new reference number (#946) to identify the openings in the screen, and change the screen reference number (new #944, was #344).
